Dear Dr. Almeida:

Thank you for accepting our invitation to participate in the International Glaucoma Congress VI in Orlando, Florida. We have listed your presentation as "The Optic Disc Cup in Open Angle Glaucoma", and allotted ten minutes for delivering this paper.

Your colleagues in Brazil are welcome to attend this gathering of world renowned ophthalmologists in Orlando, Florida. If possible, please send me the names and addresses of all ophthalmologists in Brazil and we shall place them on our mailing list. Thus they will receive our notices and announcements.

I look forward, with pleasure, to meeting with you in Orlando and discuss tentative plans for organizing the Brazilian Glaucoma Society.

Sincerely yours,

John Bellows, M.D., PhD
Director
